

#MOPANE RETREATJUNE 2021

I was not sure what to expect. My expectations were neither here nor there. I wondered if this was going to be another one of those trainings where they lecture you about leadership.

Well Mopane Leaders' Experience Retreat, was a surreal, out of this world experience. Rather than lecture you on how a leader should behave, they help you find and empower the leader in you. "When a leader is hurting, the organization will hurt", the lovely Jackie Asiimwe Mwesige said.

Thank you for the unique experience. I will remember it for the rest of my life.
