

Giving Celebration:

CivSource Staff Shares Time,
Talent, and Treasure with
Community

In the spirit of celebrating our birth month at CivSource Africa, we've embarked on a beautiful journey of giving, spreading joy and kindness throughout our community. We believe that true celebration is not just about receiving but also about extending our hands and hearts to those who need it the most.

For us, giving is a multi-faceted endeavor, encompassing the gift of time, the treasure of resources, and the talent we all possess. This October, the CivSource Staff united to share these precious assets with our beloved community.

Our mission was clear: to give, and it didn't take long for the magic of giving to unfold. The culmination of our efforts was a heartwarming collection that we were excited to deliver to the Federation of Kampala Hawkers and Vendors Associations, nestled in the bustling Kalerwe Market.

The collection day was an embodiment of unity, compassion, and the joy that comes from helping others. Wambi Molly, the Secretary for Gender at the Federation of Kampala Hawkers and Vendors Associations, and Zawedde Hasiinah, the Secretary for Women Affairs, along with the men and women in the market, welcomed us with open arms and grateful hearts.

During this memorable occasion, our outgoing Rotational CEO for July to October 2023, Malcolm Twino Mpamizo, took the honor of handing over these invaluable donations.

We were humbled by their warmth and appreciation, reminding us of the profound impact that small acts of kindness can have on people's lives. Our time, talent, and treasure collectively found their way to those who needed them most, and in return, we received smiles, gratitude, and a renewed sense of purpose.

This beautiful journey of giving isn't just a one-time event for us; it's a reminder of the values that drive us every day. It's about creating a world where empathy, generosity, and community spirit are at the forefront.

As we reflect on this experience, we're reminded that there's no greater joy than the joy of giving. We encourage everyone to find their own unique ways to give back to their communities, for it is in these moments of selflessness that we find our truest selves.

CivSource Africa believes in the power of giving, and we'll continue to share our time, talent, and treasure with those around us. Because, in the end, it's these acts of giving that make the world a better, brighter, and more beautiful place for all.

Together, we can light up the world, one act of kindness at a time.
